ENTREPRENEURSHIP

Motion Flotion Design (Since 2015)
Freelance Web and Graphic Designer
Since an undergrad in college, I created a company that focuses on web and graphic design medias. However, my intention is to show that I am a creative and intuitive person, with future goals towards entrepreneurship. Clients served: Said it Here First; Spektrum Magazine; Happy Dot Box; and Pura Vida Health.

EXPERIENCE

Spektrum Magazine (2016 – Present)
Social Media Coordinator / Web Designer
• Attended and reported various life style events (gaming, cars, anime, technology, music) all over California.

• Manage the website and SEO.

• Manage Spektrum Magazine social media account.

• Schedule and coordinate Spektrum models, keeping everyone together.

• Social media photographer.

Advantage Video System (2015 – 2016)
Designer / Sale Representative
• Attended various technology conventions in Los Angeles and Las Vegas and worked as a sales representative in direct marketing.

• Created graphic designs projects for use in advertising.

VOLUNTEER

Anime Expo (2012 – 2017)
Room Supervisor
• To ensure that all coordinated events in room assigned are ran as planned.

• Responsible for audio and video sound equipment.

• Manage my own team & reported directly to Convention Service Manager.

EDUCATION

The Art Institute of California – Hollywood (2011 – 2015)
Bachelor of Science in Web Design & Interactive Media
